Copy of letter No.T.P.2-22/34292 dated the 18th October 1901, from the Postmaster-General, Madras, to the First Assistant to the Resident in Mysore.

I have the honour to state, for the information of the Resident, that with the concurrence with the officer in charge of the Resident's treasury at Bangalore, the procedure described in the accompanying set of rules was adopted from and after 1895 for direct monetary transactions between the Post Offices and the Treasuries in the Mysore State. It will be observed that when money is to be drawn from the Mysore District State Treasury by Head Post Offices a voucher in duplicate is prepared and signed by the Postmaster and then sent to the Treasury officer who will retain the original voucher and return the duplicate duly signed with the money by the Postmaster. The same procedure is followed in the Taluk treasuries as well. A similar procedure is adopted when remittances are made to the Mysore District Treasury.

2. The system obtaining in connection with the drawings from the British District Treasuries is somewhat different. When money is to be drawn by the Head Postmaster from A District Treasury, the amount will be entered in a Treasury Pass Book by the Postmaster who sends it to the Treasury along with a signed voucher in the prescribed form.

The Treasury officer initials the entry in the treasury pass book and returns it with the money to the Postmaster retaining the voucher with him. In the cases of remittances to the British District Treasury the Postmaster enters the amount

2

amount in the Treasury Pass book and sends it to the Treasury officer, together with a memo of the remittance in the prescribed form. The Treasury officer places his signature against the entry in the Treasury Pass book and returns it to the Postmaster retaining the memo with him.

3. The Sub-Postmasters situated at British Sub Treasury stations have not hitherto maintained a treasury pass book but simply prepared a voucher in duplicate as in the case of officers in Mysore. Owing however to a recent case of embezzlement of Government money by one of the Sub Postmasters in this ~~office~~ circle it was decided to introduce a treasury pass book for the use of the Sub offices as well as Head offices and the system has been brought into force from the 1st October 1901- Vide copy of the Director General's Circular No.54/48 dated the 28th August 1901 with enclosure attached.

4. As the precaution of making Treasury officers initial the entries made by Postmasters in the Treasury pass book is calculated to prevent frauds. I beg that the Resident will be so good as to move the Mysore Durbar to accord their approval to the system now in force in British territory being introduced also in connection with the direct monetary transactions between State Treasuries and Post Offices in Mysore. If the Durbar has no objection to this proposal a revised set of rules on the subject will be forwarded for its approval.

POSTMASTER-GENERAL'S OFFICE,

Madras, 25th September 1902.

From

THE POSTMASTER-GENERAL, MADRAS,

To

ALL HEAD AND SUB POSTMASTERS,
AND SUPERVISING OFFICERS,
IN THE MYSORE STATE.

The Director General of the Post Office of India, having, in his circular No. 54/48, dated the 28th August 1901, sanctioned the introduction of the Post Office Treasury Pass Book for Sub-treasury transactions, it has become necessary to revise the rules regarding the special procedure for the transactions between the post offices and the treasuries in the Mysore State, published with this office G. L. No. 29, dated the 8th June 1895 and as Appendix H to the Comptroller's Standing Orders, Fourth Edition. The accompanying set of the revised rules is forwarded for the information and guidance of all postal officers concerned in the Mysore State.

2. The revised procedure will come into force from the 1st October 1902.

G. BARTON GROVES,
Offg. Postmaster-General.

Rules regarding the special procedure for the transactions between the Post Offices and the Treasuries in the Mysore State.

1. Extent of application of these rules.—These rules apply to all transactions between Post Offices in Mysore and Mysore State Treasuries. They do not therefore apply to : –

(a) Remittances between the Bangalore Head Office and the Resident's Treasury at Bangalore, or to

(b) Remittances between the Mysore Post Office and Treasury at Coimbatore through the Sub Post Office and Sub Treasury at Kollegal.

The Bangalore and Mysore Post Offices will therefore maintain a "Treasury Pass Book" etc.: for these transactions under the rules laid down in the Post Office Manual and Civil Account Code as explained in the Comptroller's Standing Orders, quite apart from and in addition to the accounts prescribed in these rules.

N. B.—The District Treasuries in Mysore render an account to the Resident's Treasury monthly of all receipts from and payments to post offices; and the Resident's Treasury verifies the Mysore State Treasury Account submitted by post offices with the accounts sent by District Treasuries; but as the submission of the statements by District Treasuries does not take place until after the middle of the month following that to which it relates, the verification by the Resident's Treasury Officer cannot be made till the end of that month.

2. The Mysore State Treasury Pass Book.— *(i)* The Mysore State Treasury Pass Book is a complete record of all sums received from or paid into the District (State) Treasury and its Taluq Treasuries (whether in cash or by transfer) by a head office or any of its sub offices. The pass book which is in form A/c 8, should be kept by each head office situated in the Mysore Province and will remain in the postmaster's personal custody and he should himself make all the necessary entries in it and sign each entry.

(ii) Each sub office having dealings with Taluq Treasuries will similarly keep a Mysore State Treasury Pass Book (in form S. O. 3-A) in which should be recorded all sums received from or paid into the Taluq Treasury by itself.

3. Register of transactions with the Mysore State Treasury.—The individual items in the Treasury Pass Book of the head office should be transferred to the Register of transactions with the treasury (in form A/c.-8a) and daily totals should be made in the latter of (i) all remittances to the treasury and *(ii)* all drawings from the treasury.

4. Remittances to District State Treasury.—*(i)* When a remittance is to be made to the District State Treasury by Head Offices a receipt should be prepared in duplicate in the form of a Sub Treasury receipt (Form A/c. 13) and both copies of the receipt should be signed by the Postmaster and sent with the money to the treasury, accompanied with the Mysore State Treasury Pass Book referred to in rule 2 above in which the transaction should be entered.

(ii) The State Treasury Officer will retain the duplicate copy of the receipt and return duly signed the original receipt together with the Treasury Pass Book in which the amount should be entered to the Postmaster in acknowledgment of the remittance.

5. Drawings from District State Treasury.—(i) When money is to be drawn from the District State Treasury by Head Offices a voucher in the form of a Sub Treasury voucher (Form A.c. 14) should be prepared in duplicate and both copies of the voucher should be signed by the Postmaster and sent to the Treasury together with the Mysore State Treasury Pass Book referred to in rule 2 above, the necessary entries of the transaction being made therein under the signature of the Postmaster.

(ii) The Treasury Officer will retain the original voucher and return the duplicate and the Treasury Pass Book (both duly signed) with the money to the Postmaster.

6. Sub Office transactions with Taluq Treasuries.—Drawings from and payments into Taluq Treasuries will be made by Sub Offices in the same manner as is described in rules 4 and 5 above and will be communicated as they occur to the Head Office concerned. The Postmaster of the Head Office should enter the amounts represented by the Sub Treasury receipts and vouchers in the Treasury Pass Book of his own Office and forward the Pass Book with receipts and vouchers to the Officer in charge of the District (State) Treasury who will return them after attesting the entries in the Pass Book. On their return the receipt and vouchers should be placed on record in the Head Office. The register of transactions with the treasury will then be written up daily in accordance with the instructions conveyed in para 3 above.

7. Monthly Mysore State Treasury Account (Form A.c. 9).—(i) At the end of the month the Postmaster of the Head Office should enter the total payments and drawings, in words and figures, below the last transaction in the Treasury Pass Book and then prepare the "Mysore State" Treasury Account which should be an exact copy of the Treasury Pass Book. The Treasury Account should be signed and dated by the Postmaster and sent to the officer in charge of the Resident's Treasury, Bangalore (under a registered cover addressed to the Postmaster, Bangalore) for verification. The treasury Officer's verification will in every case be for the actual amounts which have been credited and debited in his accounts as rendered by him to the Accountant General, Madras, for the month. There will, to a difference between the total amounts acknowledged by the treasury officer and those entered by the Postmaster in the Treasury account whenever drawings from or payments into Sub Treasuries towards the end of a month are included in the cash account of the Head Office in the same month but are not communicated to the District Treasury until the next month, or whenever transactions with Sub Treasuries towards the end of a month are communicated to the District Treasury in the same month but are not included in the cash account of the Head Office until the next month. In the former case the Treasury Officer will strike off and in the latter case add those transactions.

(ii) As soon as the State Treasury Account is received back from the Treasury Officer, Bangalore, the remarks etc., made by him with the dates entered by him should be copied in the Treasury Pass Book and the Postmaster should compare the entries in the Treasury Pass Book with those in the verified Treasury Account received back from the Treasury Officer and if any fresh items have been added by the Treasury Officer in red ink immediate steps should be taken to call for the receipt or vouchers for those items from the Post Offices concerned and bring the transaction into the cash account of the Head Office if they have not already been accounted for.

(iii) The particulars regarding the transactions of one month which are brought into the

accounts of the Head Office in the following month will be entered in the Treasury Pass Book for the month in which they are brought into the accounts of the Head Office, and against these the following remark will be made :—

"Included in the verification of the Treasury Officer, Bangalore, for the month of 19

Such items will not be entered in the Treasury Account prepared for the verification by the Treasury Officer but will be struck out of the pass book with an appropriate remark before the Treasury Account is copied out.

(iv) The Treasury Account should be dated by the postmaster and totalled (in words as well as in figures) so as to agree with entries (3) of the Treasury Suspense Account before being sent to Bangalore for verification.

8. *Mysore Treasury Suspense Account.*—(i) The first three entries of this account will as directed in para 7, be prepared before the State Treasury Account is sent to Bangalore and as soon as it is received back duly verified and signed by the officer in charge of the Resident's Treasury at Bangalore it should be completed by the postmaster himself so as to show whether there is an agreement between the treasury transactions included in the cash account and those admitted by the officer in charge of the Resident's Treasury or whether there are differences to be explained. Whenever the Mysore Treasury Suspense Account shows a balance either under "Payments" or "Drawings" the items of which the balance is composed should be fully detailed.

(ii) The Mysore State Treasury Account which has been signed by the officer in charge of the Resident's Treasury and the Mysore Treasury Suspense Account should then be forwarded to the Comptroller, Post Office.

9. These are special rules for the guidance of postmasters in the Mysore State who in other matters regarding their transactions with the Mysore State and other treasuries will be guided by the rules in the Post Office Manual.

Such items will not be entered in the Treasury Account prepared for the verification by the Treasury Officer but will be struck out of the pass book with an appropriate remark before the Treasury Account is copied out.

(iv) The Treasury Account should be dated by the postmaster and totalled (in words as well as in figures) so as to agree with entries (3) of the Treasury Suspense Account before being sent to Bangalore for verification.

8. *Mysore Treasury Suspense Account.*—(i) The first three entries of this account will as directed in para 7, be prepared before the State Treasury Account is sent to Bangalore and as soon as it is received back duly verified and signed by the officer in charge of the Resident's Treasury at Bangalore it should be completed by the postmaster himself so as to show whether there is an agreement between the treasury transactions included in the cash account and those admitted by the officer in charge of the Resident's Treasury or whether there are differences to be explained. Whenever the Mysore Treasury Suspense Account shows a balance either under "Payments" or "Drawings" the items of which the balance is composed should be fully detailed.

POSTMASTER-GENERAL'S OFFICE,

Madras, 25th September 1902.

From

THE POSTMASTER-GENERAL, MADRAS,

To

ALL HEAD AND SUB POSTMASTERS,
AND SUPERVISING OFFICERS,
IN THE MYSORE STATE.

The Director General of the Post Office of India, having, in his circular No. 54/48, dated the 28th August 1901, sanctioned the introduction of the Post Office Treasury Pass Book for Sub-treasury transactions, it has become necessary to revise the rules regarding the special procedure for the transactions between the post offices and the treasuries in the Mysore State, published with this office G. L. No. 29, dated the 8th June 1895 and as Appendix H to the Comptroller's Standing Orders, Fourth Edition. The accompanying set of the revised rules is forwarded for the information and guidance of all postal officers concerned in the Mysore State.

2. The revised procedure will come into force from the 1st October 1902.

G. BARTON GROVES,
Offg. Postmaster-General.

Rules regarding the special procedure for the transactions between the Post Offices and the Treasuries in the Mysore State.

1. Extent of application of these rules.—These rules apply to all transactions between Post Offices in Mysore and Mysore State Treasuries. They do not therefore apply to:

a) Remittances between the Bangalore Head Office and the Resident's Treasury at Bangalore, or to

b) Remittances between the Mysore Post Office and Treasury at Coimbatore through the Sub Post Office and Sub Treasury at Kollegal.

The Bangalore and Mysore Post Offices will therefore maintain a "Treasury Pass Book" etc. for these transactions under the rules laid down in the Post Office Manual and Civil Account Code as explained in the Comptroller's Standing Orders, quite apart from and in addition to the accounts prescribed in these rules.

N.B.—The District Treasuries in Mysore render an account to the Resident's Treasury monthly of all receipts from and payments to post offices; and the Resident's Treasury verifies the Mysore State Treasury Account submitted by post offices with the accounts sent by District Treasuries; but as the submission of the statements by District Treasuries does not take place until after the middle of the month following that to which it relates, the verification by the Resident's Treasury Officer cannot be made till the end of that month.

2. The Mysore State Treasury Pass Book.—(i) The Mysore State Treasury Pass Book is a complete record of all sums received from or paid into the District (State) Treasury and its Taluq Treasuries (whether in cash or by transfer) by a head office or any of its sub offices. The pass book which is in form A/c 8, should be kept by each head office situated in the Mysore Province and will remain in the postmaster's personal custody and he should himself make all the necessary entries in it and sign each entry.

(ii) Each sub office having dealings with Taluq Treasuries will similarly keep a Mysore State Treasury Pass Book (in form S. O. 3-A) in which should be recorded all sums received from or paid into the Taluq Treasury by itself.

3. Register of transactions with the Mysore State Treasury.—The individual items in the Treasury Pass Book of the head office should be transferred to the Register of transactions with the treasury (in form A/c. 8a) and daily totals should be made in the latter of (i) all remittances to the treasury and (ii) all drawings from the treasury.

4. Remittances to District State Treasury.—(i) When a remittance is to be made to the District State Treasury by Head Offices a receipt should be prepared in duplicate in the form of a Sub Treasury receipt (Form A/c. 13) and both copies of the receipt should be signed by the Postmaster and sent with the money to the treasury, accompanied with the Mysore State Treasury Pass Book referred to in rule 2 above in which the transaction should be entered.

(ii) The State Treasury Officer will retain the duplicate copy of the receipt and return duly signed the original receipt together with the Treasury Pass Book in which the amount should be entered to the Postmaster in acknowledgment of the remittance.

accounts of the Head Office in the following month will be entered in the Treasury Pass Book for the month in which they are brought into the accounts of the Head Office, and against these the following remark will be made :—

"Included in the verification of the Treasury Officer, Bangalore, for the month of 19

Such items will not be entered in the Treasury Account prepared for the verification by the Treasury Officer but will be struck out of the pass book with an appropriate remark before the Treasury Account is copied out.

(iv) The Treasury Account should be dated by the postmaster and totalled (in words as well as in figures) so as to agree with entries (3) of the Treasury Suspense Account before being sent to Bangalore for verification.

8. *Mysore Treasury Suspense Account.*—(i) The first three entries of this account will as directed in para 7, be prepared before the State Treasury Account is sent to Bangalore and as soon as it is received back duly verified and signed by the officer in charge of the Resident's Treasury at Bangalore it should be completed by the postmaster himself so as to show whether there is an agreement between the treasury transactions included in the cash account and those admitted by the officer in charge of the Resident's Treasury or whether there are differences to be explained. Whenever the Mysore Treasury Suspense Account shows a balance either under "Payments" or "Drawings" the items of which the balance is composed should be fully detailed.

(ii) The Mysore State Treasury Account which has been signed by the officer in charge of the Resident's Treasury and the Mysore Treasury Suspense Account should then be forwarded to the Comptroller, Post Office.

9. These are special rules for the guidance of postmasters in the Mysore State who in other matters regarding their transactions with the Mysore State and other treasuries will be guided by the rules in the Post Office Manual.

SIR,

They may therefore be accepted.

2. I may here add with reference to item 7 (para 1) that the transactions of the State Treasuries on behalf of British Government are adjusted bi-monthly with the Hon'ble Resident's Treasury i.e. two accounts are sent monthly by the District Treasuries to Central Treasury, Bangalore (i.e.the State Huzur Treasury Bangalore) one containing transactions from the 1st to the 15th of the month, and the other from the 16th to the end of the month. The former is received in the State Huzur Treasury on or about the 21st of the month to which the accounts relate, and adjusted with the Hon'ble Resident's Treasury on the 25th and the latter is received on or about the 12th of the following month and adjusted about the 16th or so- Thus the total amounts shewn in the Hon'ble Resident's Treasury Accounts will always differ from those entered in the Treasury accounts rendered by the Post-

From

THE POSTMASTER-GENERAL, MADRAS,

To

ALL HEAD AND SUB POSTMASTERS,
AND SUPERVISING OFFICERS,
IN THE MYSORE STATE.

The Director General of the Post Office of India, having, in his circular No. 54/48, dated the 28th August 1901, sanctioned the introduction of the Post Office Treasury Pass Book for Sub-treasury transactions, it has become necessary to revise the rules regarding the special procedure for the transactions between the post offices and the treasuries in the Mysore State, published with this office G. L. No. 29, dated the 8th June 1895 and as Appendix H to the Comptroller's Standing Orders, Fourth Edition. The accompanying set of the revised rules is forwarded for the information and guidance of all postal officers concerned in the Mysore State.

2. The revised procedure will come into force from the 1st October 1902.

G. BARTON GROVES,
Offg. Postmaster-General.

Vide Residency letter No. 1045 dt 3-3-03.

Rules regarding the special procedure for the transactions between the Post Offices and the Treasuries in the Mysore State.

1. Extent of application of these rules.—These rules apply to all transactions between Post Offices in Mysore and Mysore State Treasuries. They do not therefore apply to: –

(a) Remittances between the ~~Bangalore Head Office and the~~ Resident's Treasury at Bangalore, ~~or to~~ and the Bangalore Head Office and any of its Sub offices situated outside Bangalore any arrangements for transfer with the Resident's Treasury or to

(b) Remittances between the Mysore Post Office and Treasury at Coimbatore through the Sub Post Office and Sub Treasury at Kollegal.

The Bangalore and Mysore Post Offices will therefore maintain a "Treasury Pass Book" etc.: for these transactions under the rules laid down in the Post Office Manual and Civil Account Code as explained in the Comptroller's Standing Orders, quite apart from and in addition to the accounts prescribed in these rules.

N. B.—The District Treasuries in Mysore render an account to the Resident's Treasury monthly of all receipts from and payments to post offices; and the Resident's Treasury verifies the Mysore State Treasury Account submitted by post offices with the accounts sent by District Treasuries; but as the submission of the statements by District Treasuries does not take place until after the middle of the month following that to which it relates, the verification by the Resident's Treasury Officer cannot be made till the end of that month.

2. The Mysore State Treasury Pass Book.—(i) The Mysore State Treasury Pass Book is a complete record of all sums received from or paid into the District (State) Treasury and its Taluq Treasuries (whether in cash or by transfer) by a head office or any of its sub offices. The pass book which is in form A/c 8, should be kept by each head office situated in the Mysore Province and will remain in the postmaster's personal custody and he should himself make all the necessary entries in it and sign each entry.

(ii) Each sub office having dealings with Taluq Treasuries will similarly keep a Mysore State Treasury Pass Book (in form S. O. 3-A) in which should be recorded all sums received from or paid into the Taluq Treasury by itself.

3. Register of transactions with the Mysore State Treasury.—The individual items in the Treasury Pass Book of the head office should be transferred to the Register of transactions with the treasury (in form A/c.-8a) and daily totals should be made in the latter of (i) all remittances to the treasury and (ii) all drawings from the treasury.

4. Remittances to District State Treasury.—(i) When a remittance is to be made to the District State Treasury by Head Offices a receipt should be prepared in duplicate in the form of a Sub Treasury receipt (Form A/c. 13) and both copies of the receipt should be signed by the Postmaster and sent with the money to the treasury, accompanied with the Mysore State Treasury Pass Book referred to in rule 2 above in which the transaction should be entered.

(ii) The State Treasury Officer will retain the duplicate copy of the receipt and return duly signed the original receipt together with the Treasury Pass Book in which the amount should be entered to the Postmaster in acknowledgment of the remittance.

6. Drawings from District State Treasury.—(i) When money is to be drawn from the District State Treasury by Head Offices a voucher in the form of a Sub Treasury voucher (Form A/c. 14), should be prepared in duplicate and both copies of the voucher should be signed by the Postmaster and sent to the Treasury together with the Mysore State Treasury Pass Book referred to in rule 2 above, the necessary entries of the transaction being made therein under the signature of the Postmaster.

(ii) The Treasury Officer will retain the original voucher and return the duplicate and the Treasury Pass Book (both duly signed) with the money to the Postmaster.

6. Sub Office transactions with Taluq Treasuries.—Drawings from and payments into Taluq Treasuries will be made by Sub Offices in the same manner as is described in rules 4 and 5 above and will be communicated as they occur to the Head Office concerned. The Postmaster of the Head Office should enter the amounts represented by the Sub Treasury receipts and vouchers in the Treasury Pass Book of his own Office and forward the Pass Book with receipts and vouchers to the Officer in charge of the District (State) Treasury who will return them after attesting the entries in the Pass Book. On their return the receipt and vouchers should be placed on record in the Head Office. The register of transactions with the treasury will then be written up daily in accordance with the instructions conveyed in para 3 above.

7. Monthly Mysore State Treasury Account (Form A/c. 9).—(i) At the end of the month the Postmaster of the Head Office should enter the total payments and drawings, in words and figures, below the last transaction in the Treasury Pass Book and then prepare the "Mysore State" Treasury Account which should be an exact copy of the Treasury Pass Book. The Treasury Account should be signed and dated by the Postmaster and sent to the officer in charge of the Resident's Treasury, Bangalore (under a registered cover addressed to the Postmaster, Bangalore) for verification. The treasury Officer's verification will in every case be for the actual amounts which have been credited and debited in his accounts as rendered by him to the Accountant General, Madras, for the month. There will be a difference between the total amounts acknowledged by the treasury officer and those entered by the Postmaster in the Treasury account, whenever drawings from or payments into Sub Treasuries towards the end of a month are included in the cash account of the Head Office in the same month but are not communicated to the District Treasury until the next month, or whenever transactions with Sub Treasuries towards the end of a month are communicated to the District Treasury in the same month but are not included in the cash account of the Head Office until the next month. In the former case the Treasury Officer will strike off and in the latter case add, those transactions.

(ii) As soon as the State Treasury Account is received back from the Treasury Officer, Bangalore, the remarks etc., made by him with the date entered by him should be copied in the Treasury Pass Book and the Postmaster should compare the entries in the Treasury Pass Book with those in the verified Treasury Account received back from the Treasury Officer and if any fresh items have been added by the Treasury Officer in red ink immediate steps should be taken to call for the receipt or vouchers for those items from the Post Offices concerned and bring the transaction into the cash account of the Head Office if they have not already been accounted for.

(iii) The particulars regarding the transactions of one month which are brought into the

accounts of the Head Office in the following month will be entered in the Treasury Pass Book for the month in which they are brought into the accounts of the Head Office, and against these the following remark will be made :—

"Included in the verification of the Treasury Officer, Bangalore, for the month of 19

Such items will not be entered in the Treasury Account prepared for the verification by the Treasury Officer but will be struck out of the pass book with an appropriate remark before the Treasury Account is copied out.

(iv) The Treasury Account should be dated by the postmaster and totalled (in words as well as in figures) so as to agree with entries (3) of the Treasury Suspense Account before being sent to Bangalore for verification.

8. *Mysore Treasury Suspense Account.*—(i) The first three entries of this account will as directed in para 7, be prepared before the State Treasury Account is sent to Bangalore and as soon as it is received back duly verified and signed by the officer in charge of the Resident's Treasury at Bangalore it should be completed by the postmaster himself so as to show whether there is an agreement between the treasury transactions included in the cash account and those admitted by the officer in charge of the Resident's Treasury or whether there are differences to be explained. Whenever the Mysore Treasury Suspense Account shows a balance either under "Payments" or "Drawings" the items of which the balance is composed should be fully detailed.
